

## Curriculum Vitae

**Name:** Matthew Gerace, MD

**Office Address:** 288 Walnut Street, Suite 412,  
Newton MA 02460

**Work Email:** [info@mattgmd.com](mailto:info@mattgmd.com)

### Current Positions 2026

| Month/Year(s) | Title                  | Specialty/Department                    | Institution<br>Location                                                                                                                               |
|---------------|------------------------|-----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| 8/2025        | Attending Psychiatrist | Adult and Child & Adolescent Psychiatry | Massachusetts General Hospital<br>Acute Psychiatry Service,<br>Emergency Department                                                                   |
| 8/2025        | Attending Psychiatrist | Adult and Child & Adolescent Psychiatry | Massachusetts General Hospital,<br>outpatient clinic, Pediatric Mind-<br>Body Medicine Program and Child<br>& Adolescent Medical Psychiatry<br>clinic |
| 8/2025        | Staff Psychiatrist     | Child & Adolescent Psychiatry           | InStride Health                                                                                                                                       |

### Education:

| Month/Year(s) | Degree | Fields of Study                    | Institution<br>Location                                    |
|---------------|--------|------------------------------------|------------------------------------------------------------|
| 7/2016-5/2020 | MD     | Medicine                           | Tulane University School of<br>Medicine<br>New Orleans, LA |
| 9/2010-5/2014 | BS     | Biology<br>Cum Laude, Dept. Honors | University of Massachusetts Amherst<br>Amherst, MA         |

### Postdoctoral Training:

| Month/Year(s) | Title | Specialty/Department | Institution<br>Location |
|---------------|-------|----------------------|-------------------------|
|---------------|-------|----------------------|-------------------------|

|               |          |                                 |                                                                  |
|---------------|----------|---------------------------------|------------------------------------------------------------------|
| 7/2020-6/2023 | Resident | Psychiatry                      | Harvard South Shore/VA Boston Healthcare System<br>Brockton, MA  |
| 7/2023-6/2025 | Fellow   | Child and Adolescent Psychiatry | Massachusetts General Hospital/<br>McLean Hospital<br>Boston, MA |

#### **Appointments at Hospitals/Affiliated Institutions:**

| Year(s)   | Position  | Department                                   | Institution                                        |
|-----------|-----------|----------------------------------------------|----------------------------------------------------|
| 2020-2021 | Intern    | Medicine                                     | VA Boston Healthcare System                        |
| 2020-2023 | Resident  | Psychiatry                                   | VA Boston Healthcare System                        |
| 2020      | Resident  | Psychiatry                                   | McLean Hospital                                    |
| 2022      | Resident  | Psychiatry                                   | BIDMC                                              |
| 2020-2023 | Resident  | Psychiatry                                   | Massachusetts Department of Mental Health          |
| 2023-2025 | Fellow    | Child & Adolescent Psychiatry                | Massachusetts General Hospital/<br>McLean Hospital |
| 2025      | Attending | Psychiatry and Child & Adolescent Psychiatry | Massachusetts General Hospital                     |

#### **Other Professional Positions:**

| Year(s)   | Position Title                | Institution                                                                | Level of Effort                      |
|-----------|-------------------------------|----------------------------------------------------------------------------|--------------------------------------|
| 2011-2014 | Research Assistant            | Massachusetts General Hospital, Cardiovascular Thrombosis Lab              | Summer and Winter intern, 40hrs/week |
| 2014-2015 | Research Technician           | Brigham and Women's Hospital, Center for Clinical Investigation, sleep lab | Full time- 40hrs/week                |
| 2015-2016 | Clinical Research Coordinator | Massachusetts General Hospital, Pediatric Gastroenterology                 | Full time- 40hrs/week                |

#### **Committee Service:**

##### **Local**

| Year(s)   | Name of Committee               | Institution/organization |
|-----------|---------------------------------|--------------------------|
| 2022-2023 | Pro Bono Medical Advisory Board | Harvard Law School       |
|           |                                 |                          |

### Professional Societies:

| Year(s) | Society Names                                     | Title/roles                |
|---------|---------------------------------------------------|----------------------------|
| 2020 —  | American Psychiatric Association                  | Resident and Fellow member |
| 2023—   | American Academy of Child & Adolescent Psychiatry | Fellow member              |

### Honors and Prizes:

| Year | Name of Honor/Prize                            | Awarding Organization                      | Achievement for which Awarded             |
|------|------------------------------------------------|--------------------------------------------|-------------------------------------------|
| 2021 | Outstanding Intern Research Contribution Award | Harvard South Shore                        | Research in residency                     |
| 2013 | Junior Researcher Abstract Contest Winner      | Hemostasis and Thrombosis Research Society | Research award                            |
| 2012 | Kathryn F. Furcolo Award                       | UMass Amherst                              | Scholarship award for outstanding interns |
|      |                                                |                                            |                                           |

### Report of Clinical Activities and Innovations

#### Past and Current Licensure and Board Certification:

| Year      | Type of License or Certification      |
|-----------|---------------------------------------|
| 2020-2027 | Massachusetts Medical License #594985 |

|           |                                                |
|-----------|------------------------------------------------|
| 2020-2027 | American Heart Association BLS, ACLS           |
| 2025-2027 | New York State Medical License #337204         |
| 2025-2027 | New Jersey State Medical License #25MA12900900 |
| 2025-2027 | New Hampshire State Medical License #35146     |
| 2024      | Board Certification in Adult Psychiatry        |
| 2025      | Board Certification in Child Psychiatry        |

## **Report of Scholarship**

### **Peer-Reviewed Scholarship in print or other media:**

- Gurrera RJ, Gearin PF, Love J, Li KJ, Xu A, Donaghey FH, **Gerace MR**. Recognition and management of clozapine adverse effects: A systematic review and qualitative synthesis. *Acta Psychiatr Scand*. 2022 May;145(5):423-441. doi: 10.1111/acps.13406. Epub 2022 Mar 16. PMID: 35178700.
- Grabowski, E. F., Van Cott E.M., Bornikova, L., Boyle, D. And **Gerace, M.** (2017) Differentiation of Patients with Type 1 Von Willebrand Disease Vs. Low Normal Levels of the Von Willebrand Factor Using a Very High Shear Rate, Non-Citrated Blood Flow System. Dec 2017, *Blood. Am. J. Hematol.*, 130 (Suppl 1) 2338
- Grabowski EF, Liu B, **Gerace MR**, Kushak RI, Ingelfinger JR. (2015) Shiga toxin-1 Decreases Endothelial Cell Tissue Factor Pathway Inhibitor Not Co-localized with Tissue Factor on the Cell Membrane. *Thromb Res*. 2015 Jun; 135(6):1214-7. doi: 10.1016/j.thromres.2015.03.018. Epub 2015 Mar 17.
- **Gerace, M.**, Liu B., Kushak R., Grabowski E.F., (2013) Shiga Toxin-1 and TNF Alpha does Not Change Tissue Factor Co- localization with Tissue Factor Pathway Inhibitor on Human Umbilical Vein Endothelial Cell's. *Haemophilia*. 19. 466-4
- Grabowski, E. F., Yam, K. and **Gerace, M.** (2012), Evaluation of hemostasis in flowing blood. *Am. J. Hematol.*, 87: S51-S55. doi: 10.1002/ajh.23207

### **Thesis:**

UMass Amherst Commonwealth College Honors Thesis: "Crosstalk Between Complement and Coagulation: Shiga Toxin Upregulates Tissue Factor Gene Expression In Endothelial Cells In The Presence of Complement Activation"

### **Abstracts, Poster Presentations, and Exhibits Presented at Professional Meetings:**

- **Gerace, M**, Dolan, TM, Sulzer CN and Cloutier, A. Use of Memantine for Autism Spectrum Disorder in an Adult Female, a Case Report. Harvard Psychiatry Mysell Day and APA 2022 conference poster sessions, March 9, 2022 and May 24, 2022.
- **Matthew Gerace M.D.** & Marcus Ruopp M.D. (2021) A case report. "Don't Forget to Check the Muscles! A Rare Side Effect of Immune Checkpoint Inhibitors". Harvard Psychiatry Research Day, April 21, 2021, Poster Session (Outstanding Intern Research Award winner)
- Moran CJ et al. (**M. Gerace**) (2015) Genetic Variation In Very Early Onset Inflammatory Bowel Disease. NASPGHAN Annual Meeting, October 10th, 2015. Session 5 - IBD III
